

Ladder Usage Tips

Do not lean off ladder.

Always use the handrails.

Never use a damaged ladder.

Do not move the ladder when someone else is on it.

Face ladder when climbing up or down.

Make sure all four corners are securely seated before climbing on the ladder.

Do not climb off the ladder.

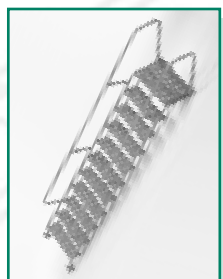

Do not overload ladder. Check manufacturer's capacity.

Always exercise ordinary care and common sense in the usage of ladders. See ANSI A14.7 for more information.
